

STEP is a world-class safety management system providing a benchmark for evaluating member companies current and previous safety practices and programs.

The ABC National Safety Excellence Awards recognize companies who have earned STEP Diamond, Platinum and Gold status who exhibit a continued commitment to jobsite safety and whose safety performance and programs are judged to be exemplary by the ABC National Health and Safety Committee.

Wondra Construction Inc. is committed to maintaining a superior safety program with the intent of reducing or eliminating jobsite incidents. In recognition of their achievement and ongoing commitment to safety and the development of a quality safety program, they were presented with the following awards:

#### NATIONAL SAFETY EXCELLENCE AWARD:
